Crisis Team Training Discussions

- Two Webinars have completed
 - Next steps:
 - Structure of Crisis Team
 - How they want to start
 - Tabletop activities
 - In the process of creating a Welcome Back script for districts
 - Conflict has risen around the reopening plans do to the American Pediatric Plans
 - Feedback: Can make the next meeting just consolation about the next steps for COVID-19 vs working on their crisis plans
 - **Raymond:** Crisis team meeting with 8 members. Wants him to look at their crisis plan to see where they can have areas “tightened up”
 - Discuss reopening plan
 - How Tabletop conversations work
 - August 18th:
-

-
- Guidance on how to make changes early in the first quarter
 - Will depend on the color that day.
 - Will allow the therapist to be in the school when therapy occurs
 - **NBC:** Having a consultation would be more beneficial than crisis plan development
 - September 28th possible date: 1CST-3CST
 - Wants to start school with initial wave of school implementation
 - Want to analyze what they have learned from this
 - Wants to use time to discuss what they have learned: goods and bad
 - Work with HS (25 staff) and Elementary
 - If it is a trained professional, they will create a space for the student to obtain therapy

Partner Updates

LFS: has no problems with going into the school at this moment.

Capstone: Will discuss questions that are pre district

Kaitlynn (Mental Health First Aid Training): Fremont training went well.

District Updates:

NBC: appreciates Jodie's flexibility

Raymond:

ESU 2 Updates:

Diane:

- still looking at the most transparent way to implement referrals/intake process
 - ESU will be creating their own Crisis Plan/Documents
 - Business Contingent Operation Plan: help districts with their own crisis and how the business will create a plan
 - Crisis Plan: for students
-

Krista:

- Working with district staff to create a seamless procedure for referrals
- One house for resources from these meetings and other community resources
